

# Victorian Energy Upgrades program quarterly statistics

29 January 2020

The October to December 2019 quarter was a busy one for us, managing our accreditation applications, product applications, certificate creations and project-based activity assessments.

## Accreditations

The October to December quarter saw a number of accreditations for the Victorian Energy Upgrades (VEU) program, increasing the total accreditations to 217.

These accreditations show that the program has had consistent and positive uptake by providers.
