

To The Water price review  
board, 6/4/2018

My name is Carmel Jacobs  
I read in the paper about your  
add, about your review on  
City west Water.

I want to know do you  
have to charge people who  
live in outer areas mine is  
Melton if we should be  
paying for City West Water

and Western Water.

I am on a pension Im  
72 and have no super left,  
so can you take that into  
account when you do  
your review,  
Thankyou.
