

# Annex D – Amendments to the Energy Retail Code of Practice and the Compliance and Performance Reporting Guideline

Table 1 lists amendments to the Energy Retail Code of Practice version 2 (ERCoP (v2)) to reflect changes to clause numbering and terminology that arise from the making of the Gas Distribution Code of Practice.

Table 2 lists amendments to the Compliance and Performance Reporting Guideline (v8) to reflect gas distributors' reporting obligations being moved to Schedule 3 of the Gas Distribution Code of Practice version 1 (GDCoP).

**Table 1. Consequential amendments to the Energy Retail Code of Practice**

ERCoP (v2) page number	ERCoP (v2) clause	Reference to the Gas Distribution System Code of Practice	Amendment
13	3	<i>Gas Distribution System Code</i> means the code of practice of that name made by the Commission under Part 6 of the <i>Essential Services Commission Act 2001</i> ;	Replace ' <i>Gas Distribution System Code</i> ' with ' <i>Gas Distribution Code of Practice</i> '.
53	63(1)	Note: Additional obligations in relation to the provision of metering information to small customers are contained in the <i>Electricity Metering Code</i> and the <i>Gas Distribution System Code</i> .	Replace ' <i>Gas Distribution System Code</i> ' with ' <i>Gas Distribution Code of Practice</i> '.
57	69(5)	Note: Additional obligations in relation to meter testing are contained in the <i>Electricity Metering Code</i> and <i>Gas Distribution System Code</i> .	Replace ' <i>Gas Distribution System Code</i> ' with ' <i>Gas Distribution Code of Practice</i> '.
107	163(1)(a)(iv)	if the retailer provides gas to the relevant customer, advice that there may be distributor planned interruptions under the <i>Gas Distribution System Code</i> or unplanned interruptions to the supply at the address and that the distributor is required to notify them of a distributor planned interruption under the <i>Gas Distribution System Code</i> ;	Replace both references to ' <i>Gas Distribution System Code</i> ' with ' <i>Gas Distribution Code of Practice</i> '.
109	165(1)(a)	within one business day after receiving relevant information about the life-support equipment requirements for the relevant customer's premises	Replace reference to 'clause 4A.3(a)(i) of the <i>Gas Distribution System Code</i> ' with

		(including medical confirmation) or any relevant contact details, give such information to the distributor for the purposes of updating the distributor's registration under clause 12.2.1(a) or 12.2.2 of the Electricity Distribution Code, or clause 4A.3(a)(i) of the <i>Gas Distribution System Code</i> , unless the relevant information was provided to the retailer by the distributor; and	'clause 7.4 of the <i>Gas Distribution Code of Practice</i> '.
110	166(3)	If a retailer is notified by a distributor that the distributor has deregistered a relevant customer under the Electricity Distribution Code or the <i>Gas Distribution System Code</i> , the retailer must (within one business day from notification) update its register of life-support customers and residents as required by clause 167.	Replace ' <i>Gas Distribution System Code</i> ' with ' <i>Gas Distribution Code of Practice</i> '.
111	166(6)(c)(ii)	clause 4A.10 of the <i>Gas Distribution System Code</i> .	Replace reference to 'clause 4A.10 of the <i>Gas Distribution System Code</i> ' with 'clause 7.10 of the <i>Gas Distribution Code of Practice</i> '.
112	166(8)(b)	clause 4A.11 of the <i>Gas Distribution System Code</i> .	Replace reference to 'clause 4A.11 of the <i>Gas Distribution System Code</i> ' with 'clause 7.11 of the <i>Gas Distribution Code of Practice</i> '.
137	Schedule 2 clause 6.3(c)	Subject to satisfying the requirements in this code of practice, the Electricity Distribution Code or the <i>Gas Distribution System Code</i> , your premises may cease to be registered as having life-support equipment if medical confirmation is not provided to us or your distributor.	Replace ' <i>Gas Distribution System Code</i> ' with ' <i>Gas Distribution Code of Practice</i> '.
