Essential Services Commission 2016, *Taxi fare determination 2016*, June.

# PREFACE

This determination of maximum taxi fares for the Metropolitan and Urban and Large Regional taxi zones amends the Essential Services Commission's (the Commission's) previous taxi fare determination made in June 2014.

The Commission has made this determination following consideration of the objectives and matters to which it must have regard as set out in the *Essential Services Commission Act 2001* and the *Transport (Compliance and Miscellaneous) Act 1983*. The Commission's review of maximum taxi fares is detailed in draft and final reports available on our website: [www.esc.vic.gov.au](http://www.esc.vic.gov.au).

This determination maintains maximum fares for the metropolitan zone at the same levels as the 2014 determination. For the areas of Geelong, Ballarat and Bendigo within the Urban and Large Regional zone, this determination extends the times during which a late night fee and holiday surcharge may be charged.

This determination will take effect on 1 July 2016.

# INTRODUCTION

## STATEMENT OF PURPOSE

The Essential Services Commission (the Commission) is the independent economic regulator responsible for determining the maximum taxi fares that can be charged in the Melbourne Metropolitan taxi zone (the metropolitan zone) and the Urban and Large Regional taxi zone (the urban zone).<sup>1</sup>

## REASONS FOR THE MAKING OF THIS DETERMINATION

The Commission is required by legislation to review maximum taxi fare determinations within two years of their making. Our last determination of maximum taxi fares for the metropolitan and urban zones was made on 19 June 2014 and took effect on 1 July 2014.

The Commission makes this determination following its review of maximum taxi fares, which is detailed in its draft and final reports available on its website: [www.esc.vic.gov.au](http://www.esc.vic.gov.au).

## NATURE AND EFFECT OF THIS DETERMINATION

This taxi fare determination is made under Division 5A of Part VI of the *Transport (Compliance and Miscellaneous) Act 1983* (Transport Act) and determines the

maximum charges for taxi services in the metropolitan zone and the urban zone. This taxi fare determination amends our previous determination made in 2014.

### **METROPOLITAN ZONE MAXIMUM FARES**

No changes to the existing maximum fares for the metropolitan zone.

### **URBAN AND LARGE REGIONAL ZONE MAXIMUM FARES**

1. Maximum fares for the areas of Dandenong, Frankston and the Mornington Peninsula will continue to be consistent with maximum fares in the metropolitan zone, meaning no changes to the existing maximum fares for these areas.
2. In Geelong, Ballarat and Bendigo, the period during which a late night fee may be charged is now from 7pm on Fridays and Saturdays to 6am on the morning immediately following; and from midnight to 6am on all other days. This extends the previous times during which a late night fee could be charged, which was from midnight to 6am on all days under the previous determination. The maximum charge for a late night fee remains capped at the same level of \$3.40.
3. In Geelong, Ballarat and Bendigo, the holiday rate may be charged from 7pm **on the evenings prior to** public holidays applicable in each respective area, until 6am on the morning immediately following. The maximum charge for a holiday rate remains capped at the same level of \$4.20.
4. In Geelong, Ballarat and Bendigo, the holiday rate of \$4.20 may continue to be charged all day Christmas Day and Boxing Day, from 6pm on New Year's Eve and all day New Year's Day (but not after 6am on other public holidays).

### **MINOR AMENDMENTS TO THE PREVIOUS SCHEDULE OF HIRING RATES**

A small number of minor changes have been made to the wording of the previous determination to:

- update the wording to better reflect that the fares set by the Commission are 'maximum' fares, not 'prescribed' fares
- remove or amend some clauses that duplicate matters covered outside this determination, such as subsidy calculations for the Multi-Purpose Taxi Program.

These changes do not materially affect the substance of the determination.

## **DATE AT WHICH THIS DETERMINATION TAKES EFFECT**

This determination will take effect on 1 July 2016.

## **2. OUT OF AREA HIRINGS**

2.1 For the purposes of this schedule, the 'area' is defined as the area within an 80 kilometre radius of the intersection of Bourke and Elizabeth Streets, Melbourne.

## **5. HIGH OCCUPANCY FEE**

- 5.3 For the purposes of clause 5.2.2 above, a standard taxi means a taxi with seating for up to four passengers, and includes station wagon type vehicles.
- 5.4 For the purposes of clause 5.2.1 above, children under the age of five years are not to be calculated as a passenger.

## **6. CITYLINK AND EASTLINK TOLLS**

- 6.2 The driver must not charge or pass on any toll incurred while using a toll road when the taxi is not carrying a passenger or parcel. Hirers must be given the choice of using or not using a toll road if a toll road is one of the route options available for that trip.

## **9. FURTHER CONDITIONS**

- 9.1 Fees or charges which are not permitted include:

- any additional charge for the carriage of goods or luggage accompanied by a passenger, except where clause 5.2.2 applies
- any additional charge for cleaning of the taxi (money freely offered by the passenger as a tip may be accepted)

# SCHEDULE OF HIRING RATES FOR URBAN AND LARGE REGIONAL ZONE TAXI LICENCES

the hiring rates applicable to that hiring may be calculated according to either this schedule of hiring rates or the schedule of hiring rates applicable to the metropolitan zone.

- d) Operators of urban zone taxis who wish to make their taxis available for hire in the areas of the urban zone identified in both items a) and b) may have the taximeters fitted in those vehicles programmed to calculate and display the hiring rates applicable under both this schedule of hiring rates and the schedule of hiring rates applicable to metropolitan taxis.
