

Melbourne Water price review 2021

Submission received through Engage Victoria

From 25 March 2021, we began accepting submissions on the Melbourne Water price review 2021 - draft decision via Engage Victoria (www.engage.vic.gov.au). On this website, interested parties were given the opportunity to provide feedback on our draft decision on Melbourne Water's price submission.

Date submitted: 23 April 2021

Submission written by: Ponnurajah Ranjanan

On 31 March 2021, Victorian Government has ordered 125 gigalitres from the Victorian Desalination Plant in Wonthaggi to secure Melbourne's water supply for the financial year 2021/2022. I hope the costs involved in this agenda, will reflect in the "2021 Price Submission".
