

# Corrigendum – Victorian Default Offer to apply from 1 July 2019: Final advice

An amendment has been made to Table 13 (and Table 18 – Appendix C) of our final advice. Incorrect tariffs for controlled load in the Jemena and Powercor distribution zones were included in our final advice. The correct table is shown below and replaces the tables in the final advice document. The VDO price model that appears on our website has also been updated.
