

Minimum feed-in tariff review 2022-23

Submission received through Engage Victoria

Date submitted: 2 December 2021

Submission written by: Anonymous 3

From 2 December 2021, we began accepting submissions on our Minimum feed-in tariff review 2022-23 via Engage Victoria (www.engage.vic.gov.au). On this website, people were given the opportunity to send us a response to a set of questions we provided.

Other fees and charges

If the FIT is reduced by 20% due to a forecast of lower wholesale prices will the service charges & retail power price be reduced by a similar amount & if not why?

The FIT should be around 80% of the wholesale price to cover the cost of installing & maintaining the home systems when the exporter has no commitment too.

Where is the equity if we sell at 5.2c & are charged >30c/kW?
