From 30 June 2020, we began accepting submissions on our 2020 unbooked taxi fare review via Engage Victoria (www.engage.vic.gov.au). On this website, people were given the opportunity to send us a response to a set of questions we provided.

1. General comments on our draft decision paper

Are ride-share companies Essential services?

During this pandemic we have seen Ride- share companies were operating during lockdown, while only Essential services were allowed to operate during that time. If they are Essential services why their fare is different to Taxis. Why can't ESC control their fare policy? It's completely rubbish law not to define them as Essential Services as operate normal this time. Don't you think it's unfair with Taxi industry. We need to match the fare of both ride-share and taxis to have a fair battle game.
