In October 2023, we began accepting submissions on Goulburn-Murray Water's 2024 price submission via Engage Victoria (www.engage.vic.gov.au/ESC-water-price-review-2024). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of the prices proposed by your water business?

the 6% proposed price reduction is not real. Other fees are going up. Old card trick.

2. What do you think of the proposed outcomes?

No detail for my class of customer and none of the 6 outcomes proposed by GMW have ever nor can be met by GMW.
