

## Water price review 2024

### Submission received through Engage Victoria

Date submitted: 14 December 2023

Water business: Goulburn-Murray Water

Submission written by: Christopher Maud

Postcode: 3737

In October 2023, we began accepting submissions on Goulburn-Murray Water's 2024 price submission via Engage Victoria ([www.engage.vic.gov.au/ESC-water-price-review-2024](http://www.engage.vic.gov.au/ESC-water-price-review-2024)). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of the prices proposed by your water business?

It has no relevance for many Stock and domestic water uses in the Uper Ovens catchment.

2. What do you think of the proposed outcomes?

There is nothing GMW can do to improve my supply of water. The only improvement they can make is to stop fabricating names for services they claim to provide where it's physically impossible for them to provide me any service. Live up to their claims of fair pricing. Stop turning community involvement into a charade. They are not meant to be behaving like politicians.
