

Water price review 2020

Submission received on Western Water's price submission

From 18 November 2019, we began accepting submissions on our 2020 water price review via Engage Victoria (www.engage.vic.gov.au). On this website, people were given the option to send us general feedback or respond to a set of questions we provided. Submissions have been also received via the Essential Services Commission's contact form.

I believe that Western Water is unable to charge developers the full cost of developing blocks and the shortfall is paid by the ratepayers. Is this still the case/? If so, this needs to be corrected. There is a lot of new development in Romsey.
