From 3 October 2022, we began accepting submissions on our 2023 water price review via Engage Victoria (www.engage.vic.gov.au). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of the prices proposed by your water business?

I appreciate the proposed reduction in water costs. I am an owner-investor with a rental unit. I pay the entire water bill.

2. What do you think of the proposed outcomes?

I appreciate the outcomes listed in the GWM submission. I find them a proactive and helpful business. I would like more explicit reference to impacts of their business on climate change and commitments to reduction and mitigation
