In December 2022, we began accepting submissions on our 2023 water price review draft decisions via Engage Victoria (www.engage.vic.gov.au). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of our draft decision on the prices proposed by your water business?

Alright but if it is a bit cheaper then it would be really good then

2. What do you think of our draft decision on the business performance and their future service commitments?

Good

3. Is there anything else we should consider before we make a final price review decision?

What people are earning and to make it cheaper
