ELECTRICITY RETAIL LICENCE

1. DEFINITIONS AND INTERPRETATION

- 1.1 In this licence, words and phrases appearing *like this* have the meaning given to them in part 1 of schedule 1.
- 1.2 This licence must be interpreted in accordance with the rules set out in part 2 of schedule 1.

2. GRANT OF LICENCE

- 2.1 Subject to:
- (a) the conditions set out in this licence; and
 - (b) any prohibition on the *Licensee* from selling electricity to persons or classes of persons specified by any *order* in force under section 23 of the *Act* and deemed by that section to be included in a condition of this licence,

the *Licensee* is authorised to sell electricity.

- 2.2 Under this licence, the *Licensee* may not sell electricity through the *wholesale electricity market*.

3. TERM

- 3.1 This licence first had effect on 4 June 1996 and has been varied on the dates set out in schedule 2.
- 3.2 The *Commission* may revoke this licence in accordance with clauses 3.3 or 3.4.
- 3.3 The *Commission* may at any time agree with the *Licensee* that this licence should be revoked, in which case the term of this licence ends on the day agreed.
- 3.4 The *Commission* may at any time give notice of revocation in accordance with clauses 3.5 and 3.6 to the *Licensee* if:
- (a) the *Licensee* does not comply with an *enforcement order* or an *undertaking*; and
 - (b) the *Commission* is satisfied that revocation of this licence is necessary having regard to the *objectives*,

in which case, subject to clause 3.7, the term of this licence ends on the expiration of the period of the notice.

- 3.5 If the *enforcement order* or *undertaking* relates to:

- (a) a breach of clause 4 or 5.1; or

- (b) a breach of this licence which in the *Commission's* opinion is causing serious and immediate detriment to *customers*,

the *Commission* must give at least 5 *business days* notice of revocation to the *Licensee* under clause 3.4.

- 3.6 If clause 3.5 does not apply, the *Commission* must give at least 20 *business days* notice of revocation to the *Licensee* under clause 3.4.
- 3.7 The term of this licence does not end at the expiration of the period of a notice of revocation given under clause 3.4 if, before the expiration, the *Licensee* complies with the *enforcement order* or the *undertaking* (as the case may be).

4. ELECTRICITY PURCHASE ARRANGEMENTS

- 4.1 The *Licensee* must have in place agreements or arrangements for the purchase of electricity through the *wholesale electricity market* or otherwise, and any necessary related *authorisations*, as are required if the *Licensee* is to be able to perform its obligations under contracts for the sale of electricity with *customers*.
- 4.2 The *Licensee* is deemed to comply with clause 4.1 if it is registered with *NEMMCO* as a 'Customer' under the *National Electricity Code*.

5. ENERGY ONLY CONTRACTS AND CUSTOMERS IN EMBEDDED NETWORKS

- 5.1 The *Licensee* must not enter into a contract for the sale of electricity with a *relevant customer* unless the contract also provides for the provision or procurement by the *Licensee* of *distribution services*.
- 5.2 Clause 5.1 does not apply if:
- (a) the *relevant customer* has informed the *Licensee* that the *relevant customer* has entered into an agreement with a licensed *distributor* for the provision of *distribution services*; or
 - (b) the *relevant customer* takes an intermediary distribution or supply of electricity (as defined in the *General Exemption Order*) from a *distributor* exempt from the requirement to hold a *distribution licence* under the *General Exemption Order*.

6. USE OF SYSTEM AGREEMENTS

- 6.1 Subject to clause 6.4, the *Licensee* must have a *use of system agreement* with each *distributor* in respect of whose *distribution area* the *supply point* of any *customer* of the *Licensee* is located. Each *use of system agreement* must be in *writing*.
- 6.2 If a *distributor* offers the *Licensee* a new form of *default use of system agreement* under clause 4.8 of its *distribution licence*, the *Licensee* must not unreasonably refuse to accept such an offer.

- 6.3 Any question as to whether a *use of system agreement* unreasonably discriminates, or has the effect of creating unreasonable discrimination, between *retailers* or between *customers* of any *retailer*, or whether a refusal to accept an offer of a new *default use of system agreement* is unreasonable, is to be decided by the *Commission* on the basis of the *Commission's* opinion on the matter.¹
- 6.4 If the *Licensee* is also a *distributor*, clause 6.1 does not require the *Licensee* to have a *use of system agreement* with itself. The *Licensee* instead must act on the notional basis that the *Licensee's retail business* has and must comply with a *use of system agreement* with the *Licensee's distribution business*. That notional *use of system agreement* must be in *writing*.
- 6.5 Clause 6.1 does not apply to the *Licensee* in respect of a *distributor* until 60 *business days* after the date on which the *Commission* first approved a *default use of system agreement* submitted to the *Commission* by the relevant *distributor* under its *distribution licence*.

7. CONTRACTS WITH CUSTOMERS

- 7.1 The *Licensee* must not enter into a contract for the sale of electricity with a *relevant customer* unless the terms and conditions of the contract expressly deal with each matter which is the subject of a term or condition of the *Energy Retail Code*. If a term or condition of the *Energy Retail Code* is incorporated by reference into the contract, it is taken to be expressly dealt with.
- 7.2 The *Licensee* must not enter into any contract for the sale of electricity with any *domestic or small business customer* at a tariff which is different from a tariff offered by the *Licensee* in accordance with its obligation under clause 8.1 unless the terms and conditions of the contract are materially different to the terms and conditions offered with that tariff.
- 7.3 Each term or condition of the *Energy Retail Code* is a term or condition with which a contract for the sale of electricity to a *relevant customer* must not be inconsistent.²
- 7.4 The *Licensee* must comply with the terms and conditions of any contract for the sale of electricity with a *relevant customer*.

8. OBLIGATION TO OFFER TO SELL

- 8.1 The *Licensee* must offer to supply and sell electricity to any *domestic or small business customer* in relation to the *Licensee*:

¹ This provision may be amended if the Commission approves and publishes in final form its new Electricity Ring-Fencing Guideline, so that the discrimination terminology in this provision is more consistent with the terminology in that guideline.

² For the purposes of section 36(1)(b) of the *Act*.

- (a) at tariffs determined by the *Licensee* and published by the *Licensee* in the Government Gazette at least 2 months before they take effect; and
 - (b) on terms and conditions determined by the *Licensee* and approved by the *Commission* and published by the *Licensee* in the Government Gazette at least 2 months before they take effect.
- 8.2 The obligation of the *Licensee* under clause 8.1 does not apply to the extent nominated by the *Commission* in any *communication* given to the *Licensee*.
- 8.3 An offer in accordance with clause 8.1 must be made to a *domestic or small business customer* by the *Licensee* within ten *business days* after a request from the *customer*.
- 8.4 If a *domestic or small business customer* accepts an offer made by the *Licensee* in accordance with clause 8.1, the *Licensee* must comply with the resulting contract.
- 8.5 This clause 8 applies subject to section 35 of the *Act* and to any *order* in force under section 13 of the *Act*.

- 9.1 The *Licensee* must include at least the following information in a bill issued to the *customer* for the supply or sale of electricity:

 - (b) the relevant tariff or tariffs applicable to the *customer*;
 - (c) if the *Licensee* directly passes through network charges to the *customer*, the separate amount of the network charge; and
 - (d) information concerning greenhouse gas emissions connected with the generation of electricity supplied to the *customer* or the generation of electricity in general.
- 9.2 If a variation is made to the tariff or to terms or conditions of a contract and unless notice of the variation has been previously provided to a *customer*, the *Licensee* must include with the *customer's* next bill, or otherwise as soon as practicable, a statement setting out details of the variation.
- 9.3 Unless clause 12 applies, the *Licensee* must give notice to a *customer* who is party to a *deemed contract* with the *Licensee* on or as soon as practicable after becoming aware of the *deemed contract* which:
- (a) informs the *customer* that there is deemed to be a contract between the *customer* and the *Licensee* for the supply and sale of electricity;
 - (b) sets out the tariff and summarises other terms and conditions under the *deemed contract*;

- (c) describes the methods by which the *deemed contract* may be terminated and related terms and conditions; and
 - (d) outlines the options available to the *customer*.
- 9.4 Where the *Act* or this licence requires or has required the *Licensee* to publish the *Licensee's* tariffs in the Government Gazette, the *Licensee* must also publish on the same day or as soon as practicable in a newspaper circulating generally in Victoria:
- (a) the tariffs; and
 - (b) a statement that the *Licensee's* related terms and conditions are available on request and free of charge in English and, if the *Licensee* has a significant number of *customers* from the same non-English speaking background, in such other languages as are agreed with the *Commission* (and the terms and conditions must actually be available in those languages).
- 9.5 If the contract between a *customer* and a *retailer* is a fixed term contract, prior to the expiry of the fixed term the *retailer* must notify the *customer*:
- (a) that the contract is due to expire;
 - (b) when the expiry will occur;
 - (c) the tariff and terms and conditions that will apply to the *customer* beyond the expiry of the *contract* if the *customer* does not exercise any other option, which the *retailer* may determine at its discretion; and
 - (d) what other options are available to the *customer*.

The information must be given no sooner than two months before, and no later than one month before, the expiration of the fixed term (unless the fixed term is less than one month in which case the information must be given to the *customer* at the commencement of the term).

- 9.6 Where the *Licensee* has financial responsibility in the *wholesale electricity market* for a *NMI* relating to premises which it knows to be vacant, the *Licensee* must, if it elects to leave the premises energised, deliver to the premises an information package relating to offers of retail contracts which are available.

10. PAYMENT METHODS

- 10.1 The *Licensee* must not implement a pre-payment meter scheme without the prior approval of the *Commission*.
- 10.2 The *Licensee* must notify the *Commission* at least 20 *business days* prior to the termination of an arrangement with any agency or payment outlet through which *customers* of the *Licensee* may pay bills.

11. COMMUNITY SERVICE OBLIGATION AGREEMENTS

If so directed by the Secretary to the Department of Human Services, the *Licensee* must enter into an agreement with the State for the provision of community services on terms and conditions determined or agreed in accordance with section 47 of the *Act*.

12. RETAILER OF LAST RESORT

12.1 On or before a date to be nominated by the *Commission* in a *communication* given to the *Licensee*, the *Licensee* must submit to the *Commission* proposed tariffs, terms and conditions upon which the *Licensee* would sell electricity in accordance with the requirement under clause 12.2.

12.2 Subject to clause 12.3, the *Licensee* must sell electricity to a *customer* at tariffs and on terms and conditions approved or determined by the *Commission* under section 27 of the *Act*.

12.3 Despite clause 7.1, in approving proposed terms and conditions under clause 12.2 the *Commission* may approve terms and conditions which do not deal with the subject matter of all of the provisions of the *Energy Retail Code*.

12.4 The requirement under clause 12.2:

- (a) applies only if the *Licensee* is so directed by the *Commission* in a *communication* given to the *Licensee*; and
- (b) imposes an obligation on the *Licensee* to sell electricity to a *customer* which:
 - (1) commences when a *last resort event* occurs in respect of the *customer's other retailer*; and
 - (2) ends:
 - (A) after three months;
 - (B) when the *customer* advises the *Licensee* in *writing* that the sale is no longer required;
 - (C) when the *customer* transfers to another *retailer*; or
 - (D) when the *customer* enters into a new contract for the sale of electricity with the *Licensee*,

whichever occurs first.

12.5 As soon as practicable after being notified by the *Commission* or otherwise becoming aware of its obligation to a *customer* under clause 12.2, the *Licensee* must give the *customer* notice in *writing*:

- (a) that a *last resort event* has occurred in respect of the *other retailer*;

- (b) that, as a result, the *Licensee* and the *customer* are deemed to have entered into a contract for the sale of electricity under section 27 of the *Act*;
- (c) of the date the *deemed contract* commenced;
- (d) of the tariff and the terms and conditions of the *deemed contract*;
- (e) that the *customer's* meter has been or will be read, or an estimate will be made, as at the date the *deemed contract* commenced so that it can be established what amount of electricity has been sold to the *customer* by the *other retailer* prior to the occurrence of the *last resort event* and what amount of electricity has been and will be sold to the *customer* by the *Licensee* after the occurrence of the *last resort event*;
- (f) of that meter reading or estimated meter reading. Notice of the meter reading or estimated meter reading may be given after notice of the other matters contemplated by this clause 12.5 is required to be given;
- (g) whether any debt owed by the *customer* to the *other retailer* or by the *other retailer* to the *customer*, as the case may be, will continue to be so owed and, if it will not, to whom and by whom it will be owed;
- (h) of alternatives available for the *customer* to arrange a transfer to another *retailer* or to obtain any different tariff, or different terms and conditions, from the *Licensee* including that the *customer* may advise the *Licensee* in *writing* that the sale of electricity by the *Licensee* is no longer required; and
- (i) of how and where to obtain further information.

12.6 If the *Licensee* must publish notice of tariffs, terms and conditions in the Government Gazette under section 27(8) of the *Act*, the *Licensee* must do so as soon as practicable after the *Commission* approves the tariffs, terms and conditions.

13. CO-OPERATION WITH VENCORP

13.1 As soon as practicable after any request made by *VENCorp*, the *Licensee* must supply such information to *VENCorp* as *VENCorp* may reasonably require to perform its functions and exercise its powers under the *Act*.

13.2 A question as to the reasonableness of a requirement by *VENCorp* for information as contemplated by clause 13.1 is to be decided by the *Commission* on the basis of the *Commission's* opinion of the reasonableness of the requirement.

14. COMPLIANCE WITH ORDERS, CODES AND GUIDELINES

14.1 As well as complying with this licence, the *Licensee* must comply with all applicable provisions of:

- (a) any *order*;

- (b) the following codes:
