- 5.1. The Licensee must pay a licence fee as determined by the Minister in accordance with the provisions of section 22 of the Act.

6. Ongoing technical capacity

- 6.1. The Licensee must at all times maintain:
- a. such technical capacity as is:
 - 1. required to meet its obligations under this licence; and
 - 2. reasonably required to undertake the activities authorised by this licence; and
 - b. such additional technical capacity as is reasonably required to enable it to meet and utilise technological advances in the electricity industry.
- 6.2. In this clause 6, activities undertaken pursuant to this Licence includes any activities undertaken by a contractor, subcontractor, agent or other third party (a third party) engaged by the Licensee for the purpose of enabling the Licensee to undertake the activities authorised by this Licence; and
- 6.3. The Licensee must ensure that any contract entered into with any third parties contains such provisions as are necessary to enable the Licensee to comply with the requirements of this clause 6.

7. Compliance with regulatory instruments

- 7.1. Subject to clause 7.2, the Licensee must comply with:
- a. the Electricity Distribution Code;
 - b. the Electricity System Code; and
 - c. any other code or guideline issued by the Commission from time to time that is expressed as being one with which the Licensee must comply,
- to the extent they are applicable to activities undertaken by the Licensee pursuant to this Licence.

- 7.2. The Commission may, from time to time, by written notice grant an exemption in relation to or otherwise modify the application of some of the requirements of the instruments referred to in clause 7.1.
- 7.3. The Licensee must have in place a system for monitoring its compliance with this Licence and the instruments referred to in clause 7.1.
- 7.4. The Licensee must comply with the requirements of the *Electricity Safety Act 1998* and any regulations made under that Act.
- 7.5. The Licensee must be registered as a generator with AEMO or exempt from the requirement to be registered as a generator in accordance with the National Electricity Rules and must comply with the requirements of the National Electricity Rules.

8. Compliance with Laws

- 8.1. The Licensee must comply with all applicable laws.

9. Prohibited interests

- 9.1. The Licensee must not hold a prohibited interest.
- 9.2. The Licensee must notify the Commission as soon as it becomes aware of any other person holding a prohibited interest in it.
- 9.3. The Licensee must comply with any notice issued by the Commission under section 70 or 71 of the Act.

10. Separate accounts

- 10.1. If the Licensee holds more than one category of licence under Part 2 of the Act, the Licensee must prepare separate accounts for each part of its business in respect of which it has been granted a separate licence.

11. Provision of information

- 11.1. The Licensee must notify the Commission of any breach by it of the conditions of this Licence including any of the instruments referred to in clause 7.1 as soon as reasonably practicable after it becomes aware of the breach.
- 11.2. The Licensee must as soon as reasonably practicable provide AEMO with such information as AEMO may properly request in connection with the performance of its functions or the exercise of its powers under the Act in the manner and form specified by AEMO.
- 11.3. The Licensee must as soon as reasonably practicable provide the Commission with such information as the Commission may properly request in connection with the performance of its functions or the exercise of its powers under the Act in the manner and form specified by the Commission.
- 11.4. The Licensee must, as soon as reasonably practicable, upon request of and in a manner and form specified by the Commission, provide the

Commission with details of its ongoing technical capacity to undertake the activities authorised by this Licence.

12. Revocation

- 12.1. The Commission may revoke this Licence:
- a. at any time at the request of or with the consent of the Licensee; or
 - b. in accordance with section 73 of the Act.
- 12.2. The Commission may revoke this Licence:
- a. if the Licensee fails to comply with an undertaking or a final enforcement order;
 - b. the Licensee breaches any condition of this Licence, including any condition deemed to apply by the Act or any other legislation;
 - c. any information provided by the Licensee pursuant to this Licence or in its application for the Licence is found to be false or misleading;
 - d. the Licensee's financial viability or technical capacity is such that the Commission considers that the Licensee would be unable to satisfactorily meet its obligations under this Licence; or
 - e. the Licensee fails to comply with a decision, direction, determination or arrangement (as the case may be) made by or agreed with the Commission, AEMO, Energy Safe Victoria or the Minister.
- 12.3. Where the Commission decides to revoke this Licence, the Commission will issue a notice to the Licensee, specifying:
- a. the basis upon which the Commission is revoking this Licence; and
 - b. the date upon which the revocation will take effect, such date to be:
 1. where clause 12.2.a applies or where in the Commission's opinion it is appropriate that the Licence be revoked in a shorter time frame having regard to its objectives and the events or circumstances that gave rise to the notice being issued, no less than 5 business days after the date upon which the notice is issued; and
 2. in all other cases, no less than 20 business days after the date upon which the notice is issued,and, subject to clause 12.4, this Licence will be revoked on the date specified in the notice.
- 12.4. The Commission may, at its discretion and by written notice to the Licensee, withdraw a notice issued under clause 12.3 at any time prior to the revocation date specified in the notice if the Commission is satisfied that the Licensee has complied with the relevant final enforcement order or undertaking, rectified the breach or complied with the relevant decision, direction, determination or arrangement (as the case may be) or if the Commission considers that it is otherwise appropriate to withdraw the notice.

13. Variation

- 13.1. For the purposes of section 29(1)(a) of the Act, the Commission may vary this Licence in accordance with the procedures set out in this clause 13.
- 13.2. Where the Commission:
- a. wishes to amend the list of instruments referred to in clause 7.1; or
 - b. is of the opinion that a proposed variation to the Licence is consistent with its objectives and is:
 - 1. of an administrative or trivial nature; or
 - 2. required urgently, such that it would not be appropriate to issue a notice under section 29(1)(c) of the Act,the Commission may issue a notice to the Licensee.
- 13.3. A notice issued under clause 13.2 will include:
- a. the terms of the variation;
 - b. the purpose of the variation;
 - c. where clause 1.1.a.2 applies, confirmation that the Commission is of that opinion; and
 - d. the date upon which the variation will take effect.

14. Transfer

- 14.1. This licence may be transferred in accordance with section 31 of the Act.

15. Audit

- 15.1. Upon request by the Commission, the Licensee must appoint an auditor to be approved by the Commission to conduct audits of:
- a. the Licensee's compliance with its obligations under the Act or this Licence, including but not limited to the codes and guidelines referred to in clause 7.1; and
 - b. the reliability and quality of information reported by the Licensee to the Commission and the consistency of that information with the Commission's specifications; and
 - c. any other matter as directed by the Commission.
- 15.2. The Licensee must ensure that the Commission is promptly provided with a copy of any reports produced by the auditor pursuant to this clause. The Licensee must comply, and must require the auditor to comply, with any guidelines issued by the Commission dealing with audits under this clause.

16. Administrator

- 16.1. If an administrator is appointed to the Licensee's business under section 34 of the Act, the administrator must exercise its functions and powers in

such a manner as may be specified by the Commission in the instrument of appointment.

- 16.2. The Licensee is responsible for the acts and defaults of the administrator.
