Dear Retailer

### **FEED-IN TARIFF – 2017/18**

As you may be aware, legislation amending the *Electricity Industry Act 2000* (the Act) was passed by the Legislative Council on 7 February 2017. The amendments include changes to the process for setting the general feed-in tariff for Victoria.

The legislation is awaiting Royal Assent and an Order relating to factors and methodologies to which the Commission must have regard when setting the feed-in tariff is yet to be made. We are now preparing to determine a feed-in tariff for 2017-18 by 28 February 2017, pursuant to the new legislation.

In light of the statutory timeframe, we intend to set a single rate feed-in tariff for the first year.

Yours sincerely

Dr Ron Ben-David
