APPLICATION OF PRICES

1. Wastewater volumetric charge

A Wastewater Volumetric Charge applies to non residential properties which use in excess of 100 kilolitres of water in any four monthly period, calculated and levied on the following basis:

A = water usage above 100 kilolitres in any four monthly period.

B = Wastewater Volumetric Charge per kilolitre

C = a percentage figure of 95%, 75%, 50% or 25%, based upon the property type (as detailed below).

D = the Wastewater Volumetric Charge to be paid.

The Volumetric Charge for Wastewater shall be calculated as $D = A \times B \times C$. The charge is set according to the type of Development/Business conducted on the property.

Property types designated at 95% Wastewater Volumetric Charge

Aerodrome, Agri-business/Meat & Poultry, Art Gallery, Automotive, Bank, Body Corporate (Non Res), Church, Cinema/Theatre, Clubs/Facilities/Venues (Meal Preparation), Commercial Storage Units, Community Services (Schools, Hospitals, Prison, Childcare Facilities), Courthouse, Dry Cleaners, Emergency & Public Services, Factory, Hairdresser/Barber, Hotel, Laundromat, Library, Livestock/Saleyards, Medical & Dwelling, Medical Rooms/Facilities (Doctors, Dentists, Chiropractic etc), Museum, Office, Photo Laboratory/Chemical, Post Office, Public Utility (eg. Public Toilets), Pump Station, Radio Station, Railway Station, Restaurants & Cafes, Shed, Shops, Shop & Dwelling, Shopping Centre, Supermarket, Telephone Exchange, Timber Yard (retail), Veterinary Centres, Warehouse, Wool Production, Workshop & Dwelling, Wrecking Yard, Undefined.

Property types designated at 75% Wastewater

Accommodation, Food Processing/Manufacturing, Public Swimming Pools, Undefined.

Property types designated at 50% Wastewater Volumetric Charge

Brewery/Winery (wine making process), Caravan Park, Farms/Animal Husbandry, Funeral Parlour, Horse Stable & House, Kennels/Animal Hospital, Piggery, Undefined.

Property types designated at 25% Wastewater Volumetric Charge

Bakery, Cemetery, Clubs/Outdoor Facilities (Ground Watering Only), Market Garden, Plant Nursery, Racecourse/Stables, Winery/Vineyard, Timber Factory/Saw Mill, Undefined.

2. Miscellaneous fees and charges

Water main tapplings

- Capping of a 20mm or 25mm service (plumber to excavate) – **Gippsland Water's** contractor attends site to cap the existing tapping provided on the water main. This is completed by turning the ferrule off, disconnecting the copper and inserting a cap. Excavation of the main to be carried out by the customer's plumber
- Main buried property service in road reserve – **Gippsland Water's** contractor attends site, excavates water main and completes an under pressure water tapping.
- Main to meter in road reserve – **Gippsland Water's** contractor attends site, excavates water main, completes an under pressure water tapping and installs a 20mm meter.

Property service connection pipe installation – polyethylene PN12 Type 50

- Tapping size 20 mm length less than 5 metres – **Gippsland Water's** contractor provides the pipes and fittings used or intended to be used for the supply of water to a property, from the water main up to and including the meter assembly or to the stop tap / ball valve if no meter fitted.

Meter installation

- 20mm and 25mm meters - this charge provides for **Gippsland Water's** contractor to attend site and fit a standard 20mm or 25mm water meter assembly.

Meter assembly fee for pre-tapped properties

- Fee for a new meter and meter assembly to be installed to a pre-tapped property – this charge provides for **Gippsland Water's** contractor to attend site at fit a standard meter assembly. A standard meter assembly is an apparatus consisting of a water meter, stop valve, strainer, additional valves (if fitted) and unions required to connect these components together and to the water supply pipe work but does not include a backflow prevention device installed downstream of the outlet of the meter.

Application for connection to waste water main

- Standard residential connection into wastewater connection point – the sewer connection application charge provides for processing of an application for a standard residential sewer connection. Once the application has been approved a Plumbing Industry Commission (PIC) number will be issued. Note that the application charge does not include the PIC fee.
- Minor repairs/alterations requiring PIC number – the sewer connection application charge provides for processing of an application for a sewer alteration. Once the application has been approved a Plumbing Industry Commission (PIC) number will be issued. Note that the application charge does not include the PIC fee.
- Small industrial/commercial connection – the sewer application charge provides for processing of an application for a sewer connection for a small industrial or industrial development. Once the application has been approved a Plumbing Industry Commission (PIC) number will be issued. Note that the application charge does not include the PIC fee.

- Provision of wastewater connection point be existing wastewater main by accredited pipelayer – this charge is an audit fee for **Gippsland Water** personnel to attend the site at the time of construction of a sewer property connection by an accredited pipelayer.

Special meter reads

- Special meter read at the commencement of a tenancy and at the termination of a tenancy – this charge provides for an out of the ordinary meter read at the commencement and termination of an occupancy for incoming and outgoing customers.

Information statements

- Preparation of a property information statement, inclusive of a special meter reading performed on settlement date – information statement upon request to provide certificate of outstanding rates and encumbrances in accordance with section 158 of the Water Act 1989.

Restriction and reconnection of water supply

- Restriction of water supply – restriction of water supply for non-payment of water account in accordance with **Gippsland Water's** Customer Charter.
- Reconnection of water supply – reconnection of water supply following either payment of the outstanding tax invoice or a suitable payment plan being negotiated with the customer as per **Gippsland Water's** Customer Charter.

*Application to build over **Gippsland Water** assets and/or easements*

- This is a charge for processing an application from a customer who wishes to construct a structure over a **Gippsland Water** asset and or easement.

Metered hydrant fees

- Annual fee – **Gippsland Water** provides a metered hydrant service to registered users in accordance with the Water Act 1989.

Land development fees (application fee including water supply and wastewater – each)

- 11-20 lots in subdivision – this is a charge for processing an application from a customer who wishes to apply for a letter of offer and Owner Cost Works agreement to construct water or wastewater works.

Land development fees (offer acceptance fee including water supply and wastewater – each)

- 11-20 lots in subdivision – this charge is to receipt monies and process start works notice etc upon acceptance by developer of owners cost work agreements.
