

To Whom it May Concern.

We respectfully urge the Commission to revise its Draft Determination for budget postponement in respect of the scheme and accept the scheme budget as contained in SGW's Water Plan III for 2013-2018 to enable Lock, Nyora and Poowong WWTF to be constructed and functional without further delay.

The Yannathan Road Development group DOES NOT speak on our behalf and we do not agree with the submission they have put forward.

Yours sincerely

Dawn and Robert Bennell and Edna Slaughter
