SGW.S WATER PLAN III For 2013-18

TO ESSENTIAL SERVICES
COMMISSION

HAVING ATTENDED A MEETING ON THE 29/4/2013 AT MYORA HALL. I WOULD LIKE TO VOICE MY OPINION ON UNHEALTHY STATE OF OUR TOWN. SEWERAGE CAN BE SEEN RUNNING IN THE DRAINS. THIS IS A DEFINITE RISK TO OUR HEALTH. MY HUSBAND AND I MOVED HERE EIGHT YEARS AGO, SO WE COULD ENJOY CLEAN COUNTRY LIVING. WELL LIVING IS GOOD BUT THE AIR IS PUTRID. AS IT IS A WET PLACE AND DRAINAGE IS SO BAD WE HAVETO PUT UP WITH THE STENCH. MY HUSBAND PASSED AWAY NEARLY TWO YEARS AGO WITH BAD HEALTH MADE ME THINK HOW MANY OTHERS HAVE GONE AND HOW MANY ARE LIVING WITH PROBLEMS THAT COULD BE SOLVED WITH A DECENT SEWERAGE SYSTEM. I URGE THE COMMISSION TO GET THIS S.G.W.S WATER PLAN UP AND RUNNING WITHOUT DELAY INSURING A HEALTHY CLEAN PLACE FOR OLD AND YOUNG TO ENJOY. YOURS SINCERLY
JULIE E KING J.E.K.
